

DOWNTOWN CHAMBERSBURG INC.

ANNOUNCES FAÇADE GRANT

REVIEW GUIDELINES

Generally, qualified properties must be commercial properties facing Main Street between Falling Spring Creek and Washington Street; with qualified projects including façade improvements like signs; painting; brick, stone, metal, or wood work; lighting, and awnings. Projects must respect the US Department of Interior's "Standards for Treatment of Historic Properties." The grant will match qualified investments up to \$5,000. Complete guidelines are available at downtownchambersburgpa.com/façade.
