Welcome to Historic Downtown Chambersburg

Experience Our Downtown

At the crossroads of Route U.S. 11 and Route U.S. 30, Chambersburg's downtown also serves as the intersection of history, culture, commerce, arts and Franklin County's government. The vibrancy of downtown wows residents and visitors alike every year. Chambersburg is not only home to perennial favorites like IceFest, ChambersFest, and AppleFest, but also popular breweries and restaurants, a skilled chocolatier, a thriving farmers market, incomparable artists and musicians, and boutiques to outfit both the businessperson and the bridal party. Additionally, First Fridays feature free, family-friendly activities.

The early history of Chambersburg was auspicious and dramatic. In 1864, Confederate troops burned the town after residents failed to raise a ransom demanded by Brigadier Gen. John McCausland. The ashes of that tumult provided the foundation for the growth and vitality found in the Chambersburg of today.

A RICH HISTORY

To best get acquainted with downtown Chambersburg, first stop by the Franklin County Visitors Bureau's 11/30 Visitors Center or the Greater Chambersburg Chamber of Commerce's Heritage Center. Both of these centers can be found on Memorial Square.

The Heritage Center, a renovated bank building from 1915, features interpretive displays about Chambersburg's historical merit. Walking tours can be scheduled through the Heritage Center. Also in a renovated bank, the 11/30 Visitors Center has ongoing exhibits like "11/30 America's Main Streets" and special monthly events such as barn quilt tours.

Parks and Recreation

Chambersburg offers a variety of outdoor experiences and a good opportunity to get fit or simply relax. Enjoy open spaces, trails, tennis, basketball, skate boarding, swimming, and more in nearly 100 acres of recreational space in the Borough.

Chambers Fort Park – North Main Street

Just a half-block from Memorial Square, the park encompasses the confluence of the Falling Spring and the Conococheague Creeks. The centerpiece is “The Homecoming” statue that depicts town founder Ben Chambers welcoming home his son James and grandson Benjamin from the Revolutionary War. Park is dog friendly.

Chambersburg Rail Trail – Between Commerce & South St.

The Rail Trail is 1.6 miles through the downtown corridor, and is used for walking, jogging, biking, dog walking, skateboarding, and rollerblading. It offers greenery and even an opportunity for birding. Conococheague Audubon Society recently placed an interpretive sign that identifies more than 20 birds that can be seen along the Chambersburg Rail Trail.

Chambersburg Bike Trail/Pump Track – W. King & Hood St.

Mountain bikers love this park. The park is suitable for beginners to experts and has intermediate-level jumps. It was one of the first pump tracks in Pennsylvania.

Arts & Culture

William Shakespeare wrote that “all the world’s a stage”. Chambersburg provides that stage for music, dance, interpretive history, fine arts, and theatre in central Pennsylvania.

Visitors to Chambersburg can step back in time with Civil War tours, where living historians share information about the community’s role in the Gettysburg Campaign. The Capitol Theatre hosts a variety of events ranging from ballet classes to nationally renowned artists and regional favorites from the Cumberland Valley School of Music. The visual arts are well represented by The Council for the Arts, The Foundry, Garage Studios, and Lotus Moon Gallery.

Chambersburg serves as the seat of Franklin County government, which has undertaken a massive facility improvements project in recent years. A new judicial center with more than 100,000 square feet is being built to house courtrooms, judges' chambers, and offices for the sheriff, clerk of courts and prothonotary.

Renovations to existing court facilities will include interconnectivity with a historic courthouse from 1865. The county commissioners' offices and voter registration can also be found downtown.
